StewardMD Pearl figures - owner review sheet (untick pulls the figure)

pearl-brain-divisions.svg

Owner reference (style/facts only)

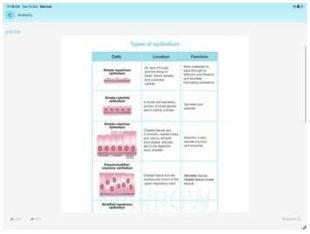

StewardMD figure (NEW)

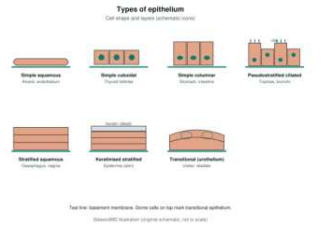

Checklist: Prosencephalon; Mesencephalon; Rhombencephalon; telencephalon; diencephalon; metencephalon; myelencephalon; cerebellum from metencephalon
Verdict: pass

pearl-epithelium.svg

Owner reference (style/facts only)

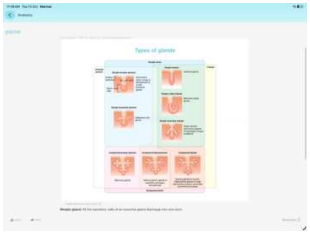

StewardMD figure (NEW)

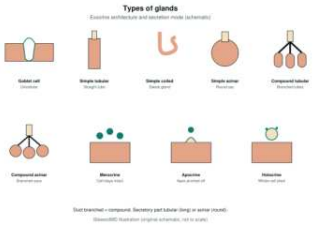

Checklist: Simple squamous; Simple cuboidal; Simple columnar; Pseudostratified ciliated; Stratified squamous; Keratinised stratified; Transitional (urothelium); basement membrane under every type; cilia only on pseudostratified; keratin layer only on keratinised
Verdict: pass

pearl-glands.svg

Owner reference (style/facts only)

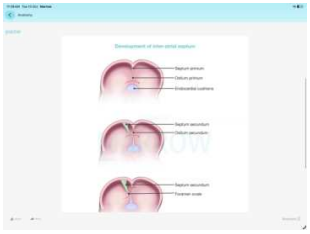

StewardMD figure (NEW)

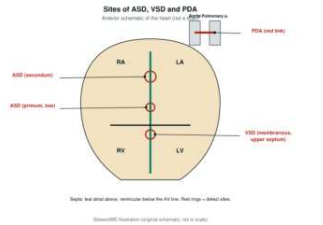

Checklist: Goblet cell; Simple tubular; Simple coiled; Simple acinar; Compound tubular; Compound acinar; Merocrine; Apocrine; Holocrine
Verdict: pass

pearl-heart-shunts.svg

Owner reference (style/facts only)

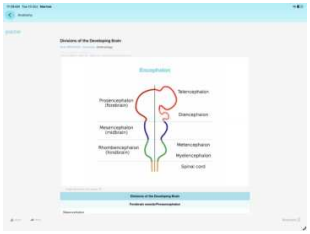

StewardMD figure (NEW)

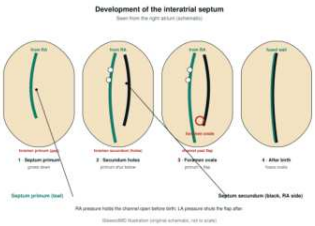

Checklist: right and left atria above ventricles; atrial septum with secundum (upper) and primum (lower) ASD sites; ventricular septum with membranous VSD site; ductus arteriosus between aorta and pulmonary artery (PDA); RA/LA/RV/LV labels on correct sides (viewer left = patient right)
Verdict: pass

pearl-interatrial-septum.svg

Owner reference (style/facts only)

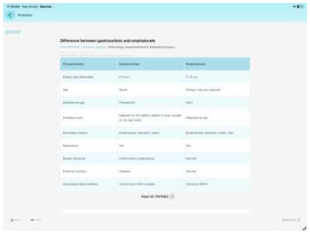

StewardMD figure (NEW)

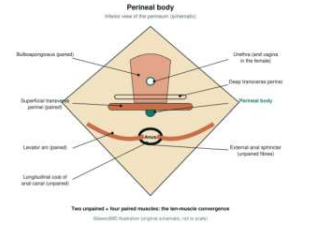

Checklist: septum primum; foramen primum; foramen secundum; septum secundum; foramen ovale with septum primum flap; postnatal closure
Verdict: pass

pearl-perineal-body.svg

Owner reference (style/facts only)

StewardMD figure (NEW)

Checklist: perineal body midline at anal/urogenital triangle junction; bulbospongiosus paired; superficial transverse perinei paired; deep transverse perinei (listed); levator ani paired; external anal sphincter unpaired fibres; longitudinal coat of anal canal (listed); anus posterior to perineal body; urethra anterior
Verdict: pass

pearl-perineal-muscles.svg

Owner reference (style/facts only)

StewardMD figure (NEW)

Checklist: ischiocavernosus on ischiopubic rami; bulbospongiosus; superficial
